Information for Hotels

NEW SERVICE FOR YOUR GUESTS

Whether it's a business traveler looking for a great place to eat dinner or a family of 5 looking for an exciting way to spend the last afternoon of their vacation, our video concierge service will be a valuable resource to each and every one of your guests.

A perfect alternative or compliment to a concierge desk, this new video concierge service will showcase the local restaurants, attractions and other businesses that hotel guests can experience during their stay; all from the comfort of their hotel room.

FREE SERVICE FOR YOUR HOTEL

Featured businesses pay for the exposure and in return, you and your guests receive a free service that is uniquely informative and entertaining to watch.

In addition, this can be a revenue generator for your hotel.

A portion of the screen is solely dedicated to you. Promote an event in your lobby bar, acknowledge a corporate group or even sell the space to advertisers! You can fully coordinate and regulate the frequency and quantity of ads as you wish. This section of the screen is seen by viewers 24/7/365.

CUSTOMIZED JUST FOR YOU

Our video concierge service is also customized specifically for your hotel. It is branded as "Your Hotel's Video Concierge Service". It includes a free promotional video on your hotel in the program lineup that showcases your services and amenities. The color scheme, graphic design and font selection can also be customized to fit the theme and atmosphere of your hotel.
